Clinical Appointments Policy Overview

Academic Personnel Manual (APM) Sections:

- 350 (Clinical Associate)
- 279 (Volunteer Clinical Professor)
- 278 and 210-6 (HS Clinical Series)

Purpose of the Clinical Policies APM Revisions

- Clarify criteria for appointment and promotion in the Health Sciences Clinical Series
- Differentiate HS Clinical Series from the Volunteer Clinical Professor series
- Identify responsibilities, and specify terms of appointment/reappointment for Volunteer Clinical Professor series
- Create a new, non-faculty academic title for clinical practitioners without teaching responsibilities employed by University health system network sites and satellite healthcare facilities (Clinical Associate)

Clinical Associate (Non-Faculty Academic) APM 350

Definition: Volunteer clinicians (non-faculty) who contribute to the University of California using their expertise, knowledge and perspectives but have no teaching or research obligations to the University

- Must be employed at locations affiliated with UCSF including University-managed clinics, practices, satellites, health system networks and other affiliated clinical entities
- Appointment is on a volunteer basis and does not constitute employment by the University
- **Appointment in academic home department only; NOT ORU, or UCSF Health**
- **Approval authority: Department Chair Delegated in SoM**

Most MSP Physicians Ineligible for Clinical Associate Title

A UCSF core clinical site employee with an MSP physician appointment can not also have a Clinical Associate appointment.

Core site MSP physicians provide oversight and training to UCSF students who rotate through their worksite, so teaching activities are inherent to their MSP physician appointments.

These activities make the Clinical Associate title inappropriate. Departments should consider a Volunteer Clinical Professor (VCP) title for their MSP physicians.

Clinical Associate – Implementation at UCSF

- When do we Start the New Process?
 - Existing appointments: upon renewal of appointment
 - New appointments: 7/1/18
- What Are the Terms of Appointment?
 - Appointment/ Reappointment are 5yrs max
 - Appointments expire on end date, **or** when the individual no longer practices at the UCSF-affiliated facility **or** when the affiliation agreement between the University and the UCSF-affiliated facility ends
 - Appointments can also be terminated before the end of their terms without prior notice

Volunteer Clinical Professor Series (VCP) APM 279

Definition: Community volunteer clinicians with teaching responsibilities; clinical competence, and excellence in teaching are the primary basis for review and promotion; Scholarly/Creative Activities and University/Public Service are NOT required in this series.

- **NEW:** An individual who is employed by the University as a staff physician or clinician and who has teaching responsibilities may hold a concurrent appointment in this series
- Titles are Volunteer Clinical Instructor and Volunteer Clinical Professor (Asst/Assoc/Full)

NOTE: Appointees in this title are not defined as faculty in the APM

VCP Series – Timing And Transfers

 - Existing appointments: upon renewal of appointment or promotion action (whichever comes first)
 - New appointments: 7/1/18 or later
- What About Transfers to Other Series?
 - Volunteer Clinical Professor → Clinical Associate
 - May be done via memo through 12/31/18;
 - Transfer after that date to Clinical Associate or at any time to another University title requires academic review;
 - Volunteer Clinical Professor → any other series
 - Requires a packet and may require search/search waiver

HS Clinical Professor Series–APM 278

Definition: Non-Senate clinical faculty with responsibilities in teaching, scholarly/creative activities and university and public service

- Can be paid by UC or an affiliated site (e.g. VA, BCH - Oakland, Fresno)
- May also be without salary (anticipate that this will be rare)

Reminder: Appointees at formal affiliates must hold an HS Clinical series appointment WITH A STEP regardless of whether they are paid by UC

Policy Changes For HS Clinical Series

What Changed?

Review criteria for appointment/advancement:

APM 278-4 “Health Sciences Clinical Professor series faculty engage in scholarly or creative activities which derive from and support their primary responsibilities in clinical teaching and professional and service activities.”

- The definition of scholarly/creative activities for the HS Clinical series is very broadly defined. At UCSF, we anticipate that most if not all existing HS Clinical faculty are already meeting expectations

What Does it Mean at UCSF?

Scholarly/creative activity is no longer “optional” review category

Local/wide/wide reputation are no longer rank requirements

All WOS appointees must also engage in scholarly/creative activity, including faculty “paid by affiliates”

HS Clinical Series VS. Clinical X

NOTE: The Clinical X policy (APM 275) did not change, but it is important to understand the differentiation between the new HS Clinical policy and the Clinical X policy with regard to scholarly/creative activities expectations

[see handout for comparison]

HS Clinical Series – Transition (“Grandfathering”)

Although very rare, what if Someone Does Not Meet the Criteria for Scholarly/Creative Activities at UCSF?

- UCSF has a process available that was vetted with the Vice / Associate Dean’s of Academic Affairs and details will be available on our website

What if current appointee is now in the wrong series because of these policy changes?

- For the initial transition period, UCSF has developed a process that will facilitate moving groups of appointees to the proper series
 - Departments will need to discuss with appointees before moving them to new series.
