Department Instructions

Definition (APM 430):

A person on leave from an academic appointment, other employment, or student enrollment (in an accredited degree-granting program) at a home institution or other entity may be appointed as a Visitor to the University of California, San Francisco to participate in a short-term educational, research, or other academic project under the supervision of an academic appointee.

Title Code 3731: Visitor (Undergraduate):

A student enrolled in an accredited degree-granting undergraduate program.

Title code 3730: Visitor (Graduate):

A student enrolled in an accredited degree-granting graduate program.

Title Code 3299: Visiting Scholar:

A person on leave from an academic appointment or other employment at a home institution or other entity.

(NOTE: Visiting Scholars/Other Visitors do not carry any status of employment with the University of California San Francisco and are funded from external sources. One-time participants in accredited continuing education activities are exempt. Visiting Scholars cannot be a UC registered student and cannot be appointed if he/she should be appointment as a Postdoctoral Scholar).
