Faculty Development at UCSF

All of us have a responsibility to hone our skillsets as educators—we owe it to our learners.

-Dan Louvish, MD
Executive Vice Chancellor and Provost

What is offered?
- Workshop offerings each month.
- Free weekday workshops.
- Accelerated weekend workshops.
- Various locations in Bay Area.
- CME/CE credit available for certain health professions

Why participate?
- Demonstrate a commitment to your learners by building teaching skills
- Develop your career as an educator
- Participate in a community of like-minded educators
- Contribute to UCSF’s mission

How do faculty development programs work together to enhance education at UCSF?

Develop skills as a teacher
- UCSF Educational Skills Development Program
- Teaching Observation Program (TOP)
- Med Ed Grand Rounds
- Get involved as a faculty developer
- AIME service

Specialize your teaching
- Teach peers
- Identify as an educator with career development

Goal for this Session

- Introduce resources and activities offered through the Center for Faculty Educators for the educator community at UCSF.

Center for Faculty Educators

A hub for faculty development and research in education at UCSF

- Educational Skills Workshops
- Teach for UCSF Certificate Program
- Teaching Observation Program (TOP)
- Medical Education Grand Rounds
- Annual Education Showcase
- ESCape and EJE: Works in Progress sessions
Attend a CFE FD Open House

Upcoming dates:

- Center for Faculty Educators FD Open House: Ask us Questions about Faculty Development
  12:00pm - 1:00pm Monday, September 20, 2021 via Zoom
- Center for Faculty Educators FD Open House: Ask us Questions about Faculty Development
  12:00pm - 1:00pm Friday, October 8, 2021 via Zoom

UCSF Educational Skills Workshops

- Free workshops serve all levels of development
- **Schedule** includes full descriptions of activities
- Most workshops count toward [Teach for UCSF Certificates](http://meded.ucsf.libcal.com/calendar/cfe/)
- CME/CE credit for certain health professions.
Teach for UCSF Certificate Program
The program creates defined educational paths so that individuals can develop focused teaching skills and receive a certificate in recognition of achievement. Program is based on UCSF Educational Skills Workshops.

Eight certificate tracks:
- General Teaching
- Clinical Teaching
- Simulation Teaching
- Interprofessional Teaching
- Teaching Quality Improvement and Patient Safety (QI/PS)
- Education Leadership
- Teaching for Equity and Inclusion
- Education Research

What is the difference?
Teach for UCSF website vs. Participant Portal

See website to:
- Enrolling in a certificate
- Review Program Goals and Expectations
- Read Policies and Overview of Participation

Once enrolled in a certificate, see Participant Portal to:
- Find workshops to register for
- Review materials from past workshops
- Complete missing skills assessments
Teach for UCSF Cohort Option  **NEW!**

You can choose to join a self-managed cohort with a few other Teach for UCSF participants to discuss and share ideas for using skills learned in workshops. It is up to the members to decide how to interact.

More information upon [enrolling in a certificate.](https://meded.ucsf.edu/faculty-educators/faculty-development-resources/teaching-observation-program-top)

---

### Teaching Observation Program

**The Teaching Observation Program (TOP) is for faculty to find a peer who can give them feedback on their teaching in a safe, supportive environment. Sign up today!**

- Enroll in TOP to get access to the TOP Portal. [http://tiny.ucsf.edu/TOP](http://tiny.ucsf.edu/TOP)
- Contact a trained TOP observer to arrange a pre-meeting to clarify needs.
- Schedule and participate in the observation.
- Receive confidential written feedback about your specified needs in a separate session.
- Request a confirmation letter for your ADVANCE Educator’s Portfolio or CV.

**TOP is relevant in the context of the Holistic Evaluation of Faculty Teaching, next slide.**

[https://meded.ucsf.edu/faculty-educators/faculty-development-resources/teaching-observation-program-top](https://meded.ucsf.edu/faculty-educators/faculty-development-resources/teaching-observation-program-top)
Med Ed Grand Rounds

- **Upcoming Med Ed Grand Rounds**: Short, up-to-the-minute lectures related to health professions education and education research, often with visiting scholars. [http://tiny.ucsf.edu/MEGRfeed](http://tiny.ucsf.edu/MEGRfeed)

- **Med Ed Grand Rounds Archive**: Access recordings of past lectures. [http://tiny.ucsf.edu/MEGR](http://tiny.ucsf.edu/MEGR)
UCSF Education Showcase Week 2022

HOLD May 16-19, 2022!
Lectures, panels, interactive discussions, workshops, mini-orals

Accelerated Path to Teach for UCSF Certificates
Weekend date TBD in May 2022. Full day of workshops for multiple certificate tracks.
- Small fee for weekend workshops.

ESCape: Weekly Education Scholarship Conference

- ESCape is a weekly lunchtime “brown bag” group scholarship consultation session
- Consult with education researchers and other colleagues about your education work in a friendly group setting.
- Hear about what UCSF education researchers are working on.
- Generally, 5-10 education research faculty attend.
Equity and Justice in Education

The CFE hosts EJE (pronounced “edge”) to empower educators, education researchers, and learners to utilize rigorous educational research methodology to identify bias and unequal power distribution to advance equitable and inclusive solutions in opportunity and achievement across the continuum of health sciences education.

https://meded.ucsf.edu/faculty-educators/research-innovation/education-consultations/equity-and-justice-education-eje

Next steps to join the UCSF educator community?

- Register for workshops and lectures. Tell a friend!
- Enroll in a Teach for UCSF Certificate. Opt in to a cohort!
- Enroll in TOP, schedule a teaching observation.
- Attend ESCape and/or EJE.

Engaging in Health Professions Education Research at UCSF

**How to get started.** Explore your health professions education (HPE) interests. Develop research skills with programs at the Center for Faculty Educators (CFE).

1. Get involved with the UCSF education community.

- Subscribe to CFE Newsletter
- Attend weekly ESCape
- Learn about CFE research teams
- Attend Monthly Journal Club and/or Table of Contents

2. Develop skills in education research.

- Read HPE Journals
- Register for a research skills workshop
- Participate in CFE education researcher
- Present ideas at ESCape
- Use Mod HPE Librarian

3. Build your career as an education scholar through an Educator's Portfolio and applying to our longitudinal programs.

- HPE Pathway
- Teaching Scholars Program
- Training Scholars Program
- SFVA Fellowship in HPE Evaluation and Research
- MA Degree in HPE
- PhD Degree in HPE
