

Faculty Development Day 2022

WEDNESDAY, SEPTEMBER 21, 2022

Faculty Development Day is a one-day event that offers virtual workshops for professional development and resources to enhance faculty life at UCSF. This event is relevant to faculty at all career stages and all faculty are encouraged to participate.

MORNING SESSIONS

9:00 am – 12:00 pm

9:00–9:15 am – WELCOME

Hannah Glass, MD, Chair of Faculty Development Day Subcommittee; and Brian Alldredge, PharmD, Vice Provost-Academic Affairs

9:15–10:30 am – FACULTY ADVANCEMENT AND PROMOTION

Gain knowledge about the similarities and differences among the faculty series at UCSF, the criteria for moving through the faculty ranks, and how to succeed at UCSF in all series and ranks.

PRESENTERS: *Brian Alldredge, PharmD; Renee Binder, MD; Robin Corelli, PharmD; Steve Hetts, MD; Sunita Mutha, MD; Catherine Waters, RN, PhD, FAAN*

BREAK 10:30–10:45 am

10:45–11:30 am – FACULTY COMPENSATION

Receive information about the academic salary structure (X, Y, & Z) and learn what benefits are covered under “X” and “Y.”

PRESENTERS: *Emerald Light, Assistant Vice Provost-Academic Affairs*

11:30–12:00 – CAREER DEVELOPMENT AT UCSF THROUGH A DIVERSITY LENS

A panel of early career faculty will highlight how their work in DEI has enriched their career trajectory.

PRESENTERS: *Jeanne Calvo, DDS; Starr Knight, MD; Willie Moses, MD; Akinyewmi Oni-Orisan, PharmD, PhD; John Jerry Nutor, PhD*

BREAK Noon–1:00 pm

AFTERNOON SESSIONS 1:00–4:00 pm

1:00–2:15 pm – TIPS FOR FACULTY SUCCESS FROM DEPARTMENT CHAIRS

Receive tips for discussing salary, funding, space, protected time, and other needs with your department leadership and Deans.

PRESENTERS: *Jyu Lin Chen, RN, PhD, FAAN; S. Andrew Josephson, MD; Lisa Kroon, PharmD; Jeremy Reiter, MD, PhD; Julie Ann Sosa, MD, MA, FACS*

BREAK 2:15–2:30 pm

2:30–4:00 pm – CONCURRENT WORKSHOPS

Managing Your Research Career – Behavioral, Clinical and Public Health Sciences

Review strategies to enhancing your research career, including, staffing your research team, publishing your research, and balancing research with other academic demands (e.g., teaching and service).

PRESENTERS: *Mandana Khalili, MD; Gregory Marcus, MD, MAS; Nynikka Palmer, DrPH, MPH; Linda Park, PhD, MS*

Managing Your Research Career – Basic and Translational Sciences

Learn about setting up and staffing a lab, balancing research with other academic pursuits (e.g., teaching and clinical service), and doing basic research within a clinical department.

PRESENTERS: *Peter Hunt, MD; Marisa Medina, PhD; Mercedes Paredes, MD, PhD*

Achieving Success as an Educator

Learn tips to help guide successful advancement and discover methods to balance teaching, educational scholarship, and clinical practice.

PRESENTERS: *Denise Connor, MD; Stephanie Hsia, PharmD; Angel Kuo, RN, MSN, PNP; Cindy Lai, MD*

Achieving Success as a Clinician

Discuss strategies for succeeding in academia when your primary role is focused on providing clinical care.

PRESENTERS: *Erica Brode, MD; Paul Nadler, MD; Jennifer Perkins, DDS; Sanjay Reddy, MD*

Faculty are encouraged to participate. To register, go to tiny.ucsf.edu/2022fdd
